OSA 1438-63

14 March 1963

MEMORANDUM FOR : Chief, Security Branch, Office of Special Activities

**SUBJECT** : Conversation with [REDACTED] OEL,  
 25X1A9a  
 25X1A6a Regarding PCS Assignment to [REDACTED]

25X1A9a 1. At Mr. Miller's suggestion, [REDACTED] visited me to touch  
 25X1A6a base with OSA before departing for [REDACTED] to become the OEL representative  
 there concerned with that office's ELINT systems.

25X1A9a 2. I outlined briefly for [REDACTED] the nature of our relations with the  
 25X1X7 [REDACTED] reporting generally on our satisfactory  
 interfaces with all three groups. I told him that I did not expect we would have  
 numerous occasions to call on him for direct reporting or services, but that  
 it was good to meet him before he left.

25X1A9a 3. [REDACTED] left with me a piece of paper identifying his various  
 25X1A9a clearances as, SI, T, TKH, I, Q, and one known as [REDACTED] I am not familiar  
 25X1A9a with the last, nor am I familiar with the fact that he also noted that an [REDACTED]  
 25X1A6a clearance is being requested. [REDACTED] arrives [REDACTED] under [REDACTED]  
 25X1C4d 5 July. I did tell [REDACTED] that any exotic information he was able to develop  
 25X1X7 from [REDACTED] on their estimates of [REDACTED]  
 25X1D4a [REDACTED] which we might not come in contact rapidly at home  
 25X1D4a should be called to our attention.

25X1A2g
